August 14 - 19, 2019
Boys & Girls, grades 6-12th
(Wednesday - Monday!)

Sleepaway Volleyball Camp
at Camp Pontiac, Copake, NY

Foundation Volleyball Camp is an excellent skills development program for beginner through advanced players. To maximize learning, campers will be grouped based on similar skill level. During the course of camp, we will cover all individual skills including, passing, setting, serving, attacking, blocking and floor defense. In addition, our campers will have the opportunity to specialize by position and play in game and tournament situations. It is our goal to help campers improve skill level, self-confidence, leadership skills, overall athleticism, and understanding of team concepts!
